Our office doors will be closed except for staff and volunteers clients in need of case management can call in for emergency assistance only. Our **Fresh Express** on Thursday we ask our clients to be extra patient with us and each other and remember we are trying to keep everyone safe. We will have three stations along Seventh Street set up. One to sign in and one to pick up your box of food. We ask that if you drive that you remain in your vehicle to allow those who walk to remain safe through this process. We have contacted the YMCA and due to their closure we are able to use their parking lot for the next two weeks only during Fresh Express please respect our neighbor's generosity.
